Annual Report

2004

A Word From Our Executive Director

It is a challenge every year to try to list all of God's blessings over the past year into one small section of this Annual Report. There is so much that cannot be seen or categorized into the written word: Miracles of lives changed and relationships built; victories of families reunited; testimonies of hearts softened and minds enlightened; and yes, some terrible personal tragedies. Some day I would love to write a book that contains nothing but the individual, personal stories of our New Horizons family. In the meantime, I will just share some of the highlights from the ministry and its programs.

It is difficult to realize that another year has come and gone and that New Horizons Youth Ministries has been ministering to high potential, underachieving youth for over 33 years. We celebrated our Founder's Day on September 25, a beautiful fall day with outdoor activities, music by a local youth praise band, a delicious banquet, testimonies, and door prizes. We enjoy so much having our "family reunion" every year!

We are deeply grateful to our prayer and financial partners who have caught the vision with us and have been so faithful. We could accomplish nothing without them. Just look at what has been accomplished through their support:

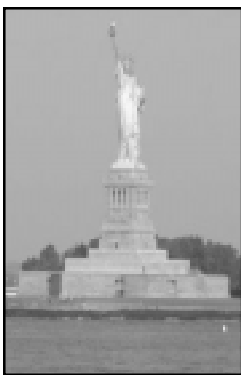

Dominican Republic: We have had many exciting changes this year, including the birth of a new summer program. The Mountain View Academy is an all summer (10-Week) program in the mountainous central region of the Dominican Republic dedicated to developing high achievement and self-esteem in boys and girls. This was started as an addition to our 10-week summer camp in Missanabie, Canada and has been rated a great success by both students and staff. The campus was also given a new look this year with the addition of a large gazebo, a new kitchen, and a beautiful dining commons.

Missanabie Woods Academy: Forty five students attended our life-changing summer camp in Canada this year. Your prayers were answered and we had a safe summer. Our shoreline property was purchased, thanks to many faithful donors.

New Horizons Academy: In May, we graduated 26 seniors. The attendees proudly received their diplomas as grateful parents watched.

During the summer, 17 students and 13 staff conducted a missions trip to New York City where lives were touched and changed for the glory of God.

The ministry received the blessing of a donated 2001 van. This van not only allows staff to travel to parent meetings in safety and comfort, but it has also provided our Dominican Republic staff with transportation when they are working at our headquarters in the States. We were very blessed with a large gift that has allowed us to start a Scholarship Program. This is providing assistance to parents above and beyond the grants New Horizons is able to provide. We are so grateful for this much needed program.

The photos scattered throughout this publication will hopefully help "tell" the 2004 story. Feel free to call the office if you would like any additional information. Thank you for all of your prayers and support. But even more, I thank our heavenly Father who trusts us with these young and tender hearts.

- Tim Blossom

NEW HORIZONS YOUTH MINISTRIES STATEMENT OF FAITH

- We believe the Bible is God's Word, that it was written by men Divinely inspired and that it is the Christian's supreme, infallible authority in all matters of faith and conduct.
- We believe in God the Father, perfect in holiness, infinite in wisdom, measureless in power. We rejoice that He concerns Himself mercifully in the affairs of men, that He hears and answers prayer, and that He saves from Sin and Death all that come to Him through Jesus Christ.
- We believe Jesus Christ is divine, the second person of the holy Trinity, the eternal and only begotten Son of God, conceived of the Holy Spirit, born of a virgin, sinless in life, making atonement for the sins of the world by His death. We believe in His bodily resurrection, His ascension and visible return to the world according to His promise.
- We believe in the Holy Spirit who came forth from God to convince the world of sin, of righteousness and of judgment and to regenerate, empower, sanctify and comfort those who receive Jesus Christ as their personal Lord and Savior.
- We believe that all people, by nature and by choice, are sinners but that "God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life." We believe, therefore, that those who in faith and repentance accept Christ as Lord and Savior will experience moral and spiritual transformation, and rejoice forever in God's presence: that those who refuse to have Christ as their Lord and Savior are forever lost and separated from God.
- We believe the Church is a living spiritual body of which Christ is Lord, and of which all true Christians are members. We believe that a local church is a company of baptized believers associated for worship, instruction, fellowship and service.
- As our Lord Jesus Christ commissioned His followers to go into all the world with the Christian Gospel, we accept this commission to be the great unfinished task of the Church. Furthermore, we believe all other valid ministries are agencies ministering in behalf of the Church and whose ultimate objective is to build up the Church to the Glory of Jesus Christ our Lord.

NOTE: We do not discriminate on the basis of race, color, national origin, gender, or handicap in our admission, education, or employment
